

Creating Space for Parents to Grieve

About Us

P23 Retreat offers retreat and respite to parents grieving the death of a child. Based on Psalm 23, we provide space for couples to connect with God and each other as they process their grief and continue the path to healing. We are a 501(c)(3) nonprofit organization who operates on the generous donations of those who support our mission.

Who We Serve

- Parents who have lost a child ranging in age from infancy to early adulthood.
- Typically, those within the first two years of their loss.
- Couples are referred to us by grief counselors, pastors, and partners.

OUR SERVICES

Retreat

We offer a selection of properties for grieving couples to retreat. They choose their preferred location and time frame ranging from 3-5 days. Travel expenses and a food allowance are also provided. Clients are screened through our referral partners.

Prayer

Everything we do begins with prayer — from personal prayer to a team who prays weekly for our daily operations and the families we serve. Additionally, there is a team that prays for specific couples while they are away on retreat.

Resources

Participants receive a care package as part of their retreat experience. Items include an engraved keepsake, a prayer journal, ideas for meaningful activities to remember their child and process their grief, and other resources. They may also opt to have a memorial picture of their child on our website.
